

ABOUT ME

Very **curious** by nature, I am constantly looking for **new skills** to develop and **improve** what I have already practiced. As a **competitive** athlete since I was a child, I have developed a certain **rigor** and **perseverance** that allows me to work in a **team** in a very efficient and organized way, having a **leadership** spirit that allows me to drive up the team with a sense of relationship that is very important to me.
